Snap FOR GREENHOUSE FORCING

The best possible strain you can get, is the first step toward a profitable crop. The originator has a selfish interest in keeping his introduction up to the highest possible standard, therefore because of this, we handle originator's greenhouse grown strains almost exclusively.

Please Note: Due to increased costs it is no longer possible to allow group and quantity prices on the forcing Snapdragon offered below.

NEWER INTRODUCTIONS

Christmas Cheer. The most popular pink. \$3.00 each
Lady Dorothy—Early flowering red bronze with a color value similar to Glorious. The spikes are more slender than this variety and will stand rough handling without shattering or breaking. Most important is that it is a true winter flowering variety. Awarded a Silver Medal New York Florist Club. Price \$3.00 each.

Junglewood White

Pure dazzling white. Deep green foliage. Tall sturdy whip-like stems. Long spikes of closely set florets. Absence of side growth. Shatterproof. May be flowered as early as November but attains height of perfection in January and February.

Better Times. The color of the Better Times rose with the habit of the profitable and popular Christmas Cheer.

Bronze Christmas Cheer. Deeper than Suntan in color, non-shattering. Flowers at the same time as Christmas Cheer with stronger stems.

Carol Jean. Attractive yellow a shade lighter than Ethel.

Goldie. A fine yellow introduction by Windmill. Attractive, free flowering, good habit and early.

Margaret. An ivory white developed by the introducer of Mary Ellen. Somewhat similar in growth this is recommended as a fine winter flowering white.

Marie Louise. Light shell pink. Best for spring bloom.

Mary Ellen. Popular silvery pink.

Maryland Pink. Early light pastel pink and free flowering. (*We have no originator's seed available. This is a hybrid and seed we offer is second generation which may contain mixtures.*)

Paper White. A pure white introduction by Schlegel, an improvement over his Early White.

Peggy Schumann. Fine early rose pink.

Yellow Peggy. A new yellow by the introducers of Peggy Schumann. A good yellow is needed and we recommend this for trial.

Originator's Packets
any of the above, \$2.00 each

Bezdek's White Wonder Imp. Excellent early white.

Dorcas Jane. A new rose pink first generation hybrid, introduced by Yoder. An early free flowering medium tall variety in a popular color.

Ethel. Fine early yellow, probably the best, undoubtedly the most popular.

Earlier Glorious. A selection by Windmill that will flower several weeks before the regular type.

Gilbert's Pink Supreme. Deep rose, preferred by many over Rose Queen.

Glorious. Reddish copper bronze. Rather late flowering.

Koester's White. A splendid pure white and one of the best.

Klondyke Supreme. Rich deep yellow, producing heavy spikes. Good for late winter and spring.

Lucky Strike Improved. A distinct improvement on the original. Earlier and with more and better spikes.

Radiance Improved. An improved strain of this very fine variety. Medium deep pink, free flowering and early.

Salmon Gold. Several shades lighter than Glorious. Flowers early and excellent for a winter flowering bronze.

Schlegel's Early Yellow. A good early sort.

St. Louis Early Pink. Vigorous and robust growing with light silvery pink blooms.

Velvet Supreme. Rich velvety scarlet red.

Earlier Westover White. A great improvement in earliness, color, purity and uniformity. Recommended as an all season white.

White Prosperity. Continues to be a popular, profitable all season white.

Windmill's Lilac. Absolutely true to color and the best in this shade.

Originator's Packets of
any of the above \$1.50 each

STANDARD VARIETIES

Afterglow. Golden orange, an old favorite.

Ceylon Court, Dark Selection. A good early yellow, however Ethel is more profitable.

Cheviot Maid Supreme. At one time the most popular pink, now supplanted by Christmas Cheer. Still a good variety.

Christmas Red. Extra early crimson.

Lucky Strike. A vigorous late white. We recommend the improved variety as being more profitable.

Maiden's Blush. Appleblossom pink.

New Cincinnati. The standard light pink.

Rose Queen. Vigorous deep rose pink.

Rose Pink Cheviot. A good selection.

Snow White. Without question, the best late white.

Westover White. Rather late but when well grown a profitable sort.

Velvet Beauty. The standard American Beauty red.

Originator's Packets of
any of the above \$1.00 each

SOWING AND GERMINATION

Growing Snaps from seed during the heat of summer often is found difficult and results are not as good as they should be. Primarily the medium used to sow into has a great bearing on results. Excellent germination has been had in flats filled with finely sifted old cinders. Where only cinders are used liquid feeding is necessary when the plants make their third or fourth leaf. Another method is to fill flats almost full with good light soil, sterilized with formaldehyde or steam, covering the top 1/2 inch with cinders, sand or finely ground sphagnum moss. Sown on top, without covering, pressed into the soil, watered very gently, kept uniformly moist and cool, little difficulty should be experienced. When sufficient ventilation is given there should be little damping off and any that should start can be promptly stopped with a watering with Wettable Spergon, or a dusting with Zinc Oxide.

CINERARIA

Easily grown and popular pot plants. American grown strains have proved most satisfactory for our conditions. A June sowing will flower in December and January. September sowing in April and May.

Siters Rainbow Strain. Remarkable for its wide range of color, and especially rich in blue shades. Compact in growth and the small leaves make for ease in handling . . . Originator's Packet **\$2.00**

Reselected. (3500 seeds per 1/32 oz.)
Grown by a specialist, who saves seed only from the choicest plants.
1/64 oz. **\$2.50**; 1/32 oz. **\$4.50**; 1/16 oz. **\$8.00 2.00**

Cremers Prize Strain (6500 seeds per 1/32 oz.)
A consistent winner at shows. Very compact and probably the most popular strain.

Originator's Seed 1/32 oz. **\$4**; 1/16 oz. **\$7.50 1.50**

Multiflora Grandiflora Nana. Dwarf and compact with medium sized flowers in a wide range of color.
1/64 oz. **\$1.65**; 1/32 oz. **\$3.50 1.00**

DIDISCUS

Coeruleus (Blue Lace Flower). Favorite free blooming cut flower. A June sowing should flower by Christmas, August sowing in late February. Best sown where to bloom. Our strain is extra selected.

1/4 oz. **\$0.35 .20 1.00**

CALCEOLARIA

➡ 1/2 Tr. Pkt. Tr. Pkt.

Dwarf Choice Mixture. Produces its large flowers in a mass on compact plants. Fine color range	\$0.60	\$1.00
Hybrida Multiflora Nana. Grows almost 1 foot in height. This is a free flowering type in shades of orange, lemon and gold, beautifully spotted60	1.00
Kelway Perfect Model. A fancy large flowered mixture60	1.00
Improved Flower Cloud. Vigorous, healthy growth, requiring little staking. Medium sized flowers in immense masses60	1.00

Note—Many of our customers prefer to purchase plants from 2 1/4" pots. These we will have available for shipment in early Fall. Send for list of varieties and prices.

PANSIES

PANSY

➡ Tr. Pkt. Oz.

Garden State Giants. The DeLuxe Pansy. Careful comparative tests lead us to believe that this American bred strain is outstanding for the immense size and heavy texture of the flowers, the fine compact yet vigorous habit of the plant and its remarkable resistance to summer heat. Truly a pansy "that will sell when others go begging." 1/8 oz. \$1.75; 1/4 oz. \$3.00	.75	10.00
America. A bright colored large flowered strain of good habit	1/4 oz. \$2.50 .65	9.00
Super Maple Leaf Giants. This is our largest flowered strain with deep, rich colors predominating	1/4 oz. \$3.00 .75	10.00
New Extra Dwarf Swiss Giants. A special selection of extra compact habit with large blooms	1/4 oz. \$3.00 .75	10.00
Swiss Giants Excellent for bedding or basket sale. The flowers are of medium size compared to the Garden State Giants, but are produced very freely on compact vigorous plants. The colors are unusually true.		
Cardinal (Alpenglow) garnet red.		
Berna, dark violet.		
Coronation Gold, pure yellow.		
Lake of Thun (Ullswater) gentian blue with dark blotches.		
Rheingold. Yellow with brown blotches.		
White, a really choice item.		
Prices on any of the above....	1/4 oz. \$3.00 .75	10.00
Swiss Giant Mixture 1/8 oz. \$1.25; 1/4 oz. \$2.25	.50	8.00
Reselected Winter Cut Flower Strain. Developed from single plant selections, this tall winter flowering type, will, under good conditions, produce a plentiful supply of long stemmed good sized blooms. 1/8 oz. \$2.50; 1/4 oz. \$4.50	1.00
